FOUNDERS MESSAGE

Greetings in the Grace of God!!

My Self Chintapalli Rajasekhar Shastry (Raj Shastry)

First, am a soldier, an Air Veteran, served nation for 20 long years, I given most of my young and energetic years of my life to nation. What I always think “The safety, honour and welfare of country come first, always and every time. The honour, welfare and comfort of the people we lead comes next and own ease, comfort and safety come last, always and every time”.

I was born & grown up in "Hyderabad, Telengana". My Schooling was at Hyderabad. At an very young age I decide to serve Nation and I joined the Indian Air Force at an age of 18, therefore I had to complete my higher studies through an open university programme.

I started “Apna Shelter India Foundation” along with some of like-minded near and dear ones to serve the nation again, in a different way. Myself is an ardent social activist and is selflessly working since few years for underprivileged and orphan children/women and campaigning for the children’s & women’s rights. I am very hard working, devoted, sincere, passionate and simple personality, who has a strong commitment towards supporting the underprivileged women and children in society. My ability to manage diverse activities coupled with my realistic approach and courage will progress Apna Shelter India Foundation to incredible heights.

As an Air Veteran, I want to say few words to every citizen of the Nation. It is a proud privilege to be a soldier – a good soldier, with Pride in his country, discipline, a high sense of duty and obligation to wards the comrades, a self-confidence born of demonstrated ability and self-respect.” “The Soldier is a citizen first. The soldier himself is the Army. No army is better than its soldiers. In fact, the highest obligation and privilege of citizenship is that of bearing arms for one’s country”.

- Apna Shelter India Foundation was established to bridge the gap between individuals who wish to make a difference by giving back and those who are already doing amazing work but need more help.
- Our goal has been to increase trust in the social sector by conducting thorough due diligence on all of our non-profit partners and providing transparency on how donations have impacted people's lives on the ground.
- We're delighted to have played a small part in facilitating giving across our society, including everyday givers, anonymous givers, corporations, and foundations.
- We'll continue to pay attention to local needs, develop for scalability, and discover ways to motivate everyone who can to give back.
- India is a country with abundant natural resources. There is no reason why 300 million people should continue to live in poverty.
- Join us in realising our vision of a poverty-free India within our lives! Jai Hind.

These kids are frequently discovered living in unsanitary conditions in parks, parking lots, slums, or on the streets, under over bridges or flyovers and beaches.

We provide a safe, loving environment to support their growth until they have completed their education and/or vocational training and can provide for themselves as successful adult women.

The focus of education Programme is often on children and youth who are at high risk of dropping out of school, such as those from lowincome families, or those who face discrimination due to their gender, race, or ethnicity.

The aim is to provide these children with the necessary support and resources to overcome the barriers that are preventing them from accessing education and succeeding in school.
